

PRODUCT DONATION PROGRAM guidelines

Children are the most important people in the world! In order to reach their full potential, all children should be nurtured mentally and physically. A key component of their development is access to good early childhood nutrition and that's why Baby Mum-Mum and Toddler Mum-Mum Rice Biscuits have such an important role to play. We have taken special care to ensure that they are made with simple, all-natural ingredients and are gluten, egg & peanut free.

Our vision is to ensure that all children have the right start by having access to good early childhood nutrition. We will support the on-going development of young children in the communities that we serve in the US and Canada through the Product Donation Program. This program will primarily provide product donations to organizations and groups that support the development of young children. By placing Baby Mum-Mum and Toddler Mum-Mum directly in the hands of first time moms and children, we hope that the use of our products will become an integral part of their early development and good nutrition.

HOW WE CHOOSE OUR PARTNERS

In order to maximize the positive impact that the program has on the lives of young children in the communities that we serve, we focus on

- Partnerships with organizations whose primary focus is young children (babies & toddlers)
- Initiatives that allow mothers and children to try Baby Mum-Mum and Toddler Mum-Mum for the first time
- Communities where Baby Mum-Mum and Toddler-Mum are available at local supermarkets
- Projects that are open to, and involve as many children as possible

When evaluating proposals, we will consider the following priorities:

- Is your organization or program open to many children?
- Is your organization or program focused on babies and/or toddlers under 3 years of age?
- Is your organization a registered not for profit or charity?
- Is your organization based within a community where Baby Mum-Mum and Toddler Mum-Mum are available?

With the focus and the priorities of the Product Donation Program, we will not ordinarily support:

- Individual requests (requests that directly benefit one or a limited number of individuals)

- Political or religious organizations
- Third Party organizations raising funds for a charity
- Sports teams, leagues and golf tournaments
- Organizations that are not open to all members of the community
- Conferences and seminars
- Capital campaigns or purchases
- Fundraising activities including sponsorship of tables, contests, door prizes, raffles, auctions or advertising
